—The Guardian

Friday, February 15, 2019 - 7:30p.m.

Proclaimed as the "Leaders of New York's jazz revival" ("CBS This Morning"), The Hot Sardines make their Majestic debut channeling New York speakeasies, Parisian cabarets, and New Orleans jazz halls. In the hot jazz movement, The Hot Sardines stand apart for the innovation, verve, and sheer joy they bring to music, both new and old. In the talented hands of this New York-based ensemble, music first made famous decades ago comes alive through their brassy horn arrangements, rollicking piano melodies, and vocals from a chanteuse who transports listeners to a different era.
