PLACE STAMP HERE

We became dear friends in 2003 when we started raising community support for the Majestic Theater's restoration and expansion. We have attended countless concerts and films together, and have seen first-hand how much joy the Majestic's programming contributes to the cultural life of our beloved community. Therefore, we established the theater's first endowed fund—The Jean S. LeGros and Jeffrey W. Gabel Fund for Youth & Family Programming—to be fully funded with gifts from our estates. We invite you to play a starring role in the Majestic's future by making a generous donation to the Name a Seat campaign.

> Jean LeGros, '73, Majestic Theater Gift Officer & Jeffrey Gabel, Majestic Theater Founding Executive Director

Name a Seat Campaign

PLAY A STARRING ROLE MAJESTIC'S FUTURE

As of August 2018, the campaign has raised in excess of \$750,000 in cash gifts and \$3 million in estate gifts from more than 100 community donors.

Planning for the Future

Since its grand reopening in 2005 following a restoration and expansion, Gettysburg College's historic Majestic Theater has delivered on its promise to present a diverse line-up of high quality, live programs and first-run films to enliven the cultural life of Greater Adams County and its visitors. As part of the theater's 90th birthday celebration in 2015, Gettysburg College launched the Majestic Theater Centennial Endowment Campaign to ensure the theater will be as stable and vibrant when it turns 100 as it is today. The campaign is raising funds that will be permanently invested to generate financial resources that will enhance and

expand the Majestic's programming in music, dance, theater, film and children's shows in perpetuity. This promises to encourage future

generations to stay in Adams County, keep our downtown vibrant, and bring culture and entertainment to all.

Name a Seat Campaign

Now the general public can help the campaign reach its \$1 million cash goal by dedicating one of 400 remaining chairs in the Majestic auditorium that have not yet been named. For a donation of \$500, the Majestic will feature your name on an engraved brass plaque to be affixed to the top front of the chair for the life of the chair. All contributions will be permanently invested in the Majestic's Centennial Endowment, which is professionally managed by Gettysburg College.

You may personalize your plaque:

- In your own name or as a couple or family.
- In memory of a loved one.
- In recognition of your business.
- As an anniversary, birthday or holiday present.
- With a special message such as "Enjoy the Show" or "I Love the Majestic."

Please Note: This special naming opportunity does not affect ticket purchases to future performances. Actual location of seats will be assigned on a first purchased basis. Payments may be made in one or two installments. For more information about the Majestic Theater Centennial Endowment, contact (717) 337-8237.
