Dear Majestic Patron,

One of my favorite things to do during every show at the Majestic Theater is to stand in the lobby and greet theater-goers. Before the show, during intermission, and after the final curtain call, it is a true pleasure to hear from you how much you enjoyed the show, and how important the Majestic is to you, your family, and our community. "The Majestic is why I don't think I'll ever leave Gettysburg," a recent patron wrote. "I love this place!"

The value of what the Majestic contributes to Gettysburg and Adams County is priceless. Since our grand re-opening in 2005, we are proud our patrons have sounded the call "We Love the Majestic!" But running "America's grandest small-town theater" takes significant resources. Because the Majestic cannot earn its entire annual revenue from ticket sales, it relies on tax-deductible contributions from patrons to close the gap. This community support combined with Gettysburg College's generous annual subsidy allows the Majestic to operate with a balanced budget. And this partnership between community and Gettysburg College allows us to continue to bring the world's most talented performing artists to Gettysburg.

Please help me continue to share the joy of the arts with our community. Your tax-deductible membership contribution will go to support the annual operations of the Majestic Theater. In special appreciation of your support we've added a new membership level this year—**Cast \$150**. Join at that level or higher to become a member of our Popcorn Club, and receive a free small bag of our Majestically delicious popcorn each time you visit!

Thank you so much,

Jeffrey W. Gabel
